

Introduction to the DHS Archive Collection

This table of contents acts as a finding aid for the Dublin Historical Society archives collection.

Groups 1 through 10 are for general topics (*e.g.* People, Buildings), where there is not enough material about a particular person or subject to warrant a separate box.

The Groups beginning with Group 11 contain records on specific people, families, organizations, etc. (*e.g.*, Brush Family Papers, Ladies' Social Circle).

Some Groups are subdivided into Series which contain particular classifications of documents.

Individual documents are in folders within the groups. We plan to post the detailed information contained in folders here in the near future. Until then please contact us at the archives, if you would like to see a detailed list of folder contents in any of the groups.
